Daily practice of the Trust Technique creates a shared peace of mind and reduces anxious over-thinking, one of the main causes for so-called “behavioural problems”. This dynamic approach does not objectify animals, but rather recognises all animals as sentient beings and transcends an unhealthy approach of dominance or control.

But it was augmented and rendered sublime by the mighty Alps, whose white and shining pyramids and domes towered above all, as belonging to another earth, the habitations of another race of beings. I passed the bridge of Pélissier, where the ravine, which the river forms, opened before me, and I began to ascend the mountain that overhangs it.

In the early 1800's the author Percy B. Shelley, the poet Lord Byron, and Percy's wife, Mary Shelley, challenged each other as to who could write the best horror story. Mary Shelley won (to put it mildly) by creating one of the earlier gothic horror novels. Some also consider 'Frankenstein' to be one of the earliest Science Fiction novels.
