opening couple of pages of *Escape from Pompeii*, the children were able to start imagining life in Pompeii before Vesuvius erupted. They were given time to draw what the author had written about. Here are just three examples below. The class was then encouraged to start building word banks ahead of our drafting sessions.

bustling city located in what is now southern Italy. But in the summer of A.D. 79, the nearby Mount Vesuvius volcano erupted. It spewed smoke and toxic gas 20 miles into the air, which soon spread to the town. Almost overnight, Pompeii—and many of its 10,000 residents—vanished under a blanket of ash.
