Kodak Retina Reflex - Wikipedia

This is a Kodak Retina Reflex IV 35mm Single Lens Reflex camera made by Kodak AG in Stuttgart, West Germany between the years 1964 and 1967. The Retina Reflex series was a continuation of the earlier rangefinder Retina, and shared many of the same parts,

Get Free Retina Reflex Guide

including the body, lens mount, and leaf shutter. The leaf shutter in the Retina Reflex would prove to be problematic over the years which prevented them from being considered a serious SLR platform.
