**The Politics Of Public Space**

Setha Low and Neil Smith, as editors and contributors to "The Politics of Public Space," create an intriguing and often thought-provoking exploration of our ideas of public spaces and public commons. Their context, they explain up front, is "the broad decay of twentieth-century American liberalism" which has led to a "restructuring of what counts as public space today" (p. 1).

**The Politics of Public Space by Setha M. Low**

Public spaces are no longer democratic spaces, but instead centres of private commerce and consumption, and even surveillance and police control. "The Politics of Public Space" extends the focus of current work on public space to include a consideration of the transnational - in the sense of moving people and transformations in the nation or state - to expand our definition of the 'public' and ...

The Politics of Public Space - Public Lectures in Contentious Places is a quarterly publication of transcripts that speak directly to the city and the way we read it. Beginning in 2018, OFFICE curated a series of informal lectures as part of its teaching at RMIT University.

**POLITICS OF PUBLIC SPACE | office**

The idea of the "public sphere" as an arena of political deliberation and participation, and therefore as fundamental to democratic governance, has a long and distinguished history. The imagery of the Athenian agora as the physical space wherein that democratic ideal might be attained has also had a powerful hold upon the political imagination.

Involvement in political life, public officials may be unresponsive to their constituents and the basic rights and freedoms of democracy can go unrealized. In order for citizens to play an active role, they must have open, accessible and inclusive political spaces. Political space refers to the avenues, opportunities

A Matter of Political Space - National Democratic Institute
The term public space has multiple meanings depending on the scholarly discipline. One aim of this article is to develop a unified concept of public space that draws on varied pertinent literatures, while at the same time expanding the idea’s coverage to incorporate the impacts of television and information technology.

The Concept of Public Space and Its Democratic ...
The Politics of Public Space is a quarterly publication of transcripts that speak directly to the city and the way we read it. The first issue contains excerpts from Mark Jacques, Tania Davidge, Tom Andrews & Peter Chambers, Libby Porter and Claire Martin. Each to an individual extent touch on recent events which have shaped how Melbourne’s public spaces are discussed and understood.

The Politics of Public Space - Volume One
Space and the politics of the public sphere with any exactitude, there are, I think, some potent points of linkage between them. We do not, after all, experience the city blankly and much of what we do absorb from that daily experience (be it the long drag of the commute, the jostle of subway crowds, the blandness

THE POLITICAL ECONOMY OF PUBLIC SPACE DAVID HARVEY
Public space should be a right for everyone, regardless of their socioeconomic status. Parks should remain open, and we could even go further; opening up golf courses and the gardens of stately homes. Too much land is given over for a tiny number of men to play an elite sport.

The sinister new politics of public space - Huck Magazine
This article attempts to untangle two threads of the intellectual and political legacy of Neil Smith. The first concerns the work that Neil and I did together on the The Politics of Public Space (Low and Smith 2006, Routledge) on public space and the public sphere and then explains how our paths diverged. I elaborate some of the ways that the public space and public sphere have been expanded by ...
