## Why Art Cannot Be Taught

Art cannot be taught, but art students can be coached. As a professional art coach, I can say enthusiastically that people can be coached to growth, even if they cannot be taught to be artists. Wh Elkins' premise, that art cannot be taught, is correct, but in his final assessment, he states that we have no other choice but to continue to instruct art students the same way.

Many people are debating whether or not art classes and programs should be cut from schools' curriculum. Many schools are experiencing budget cuts and are choosing to cut art classes and programs...

### **Why Art Classes Should Be Cut. Many people are debating ...**

Art cannot. If you ask me i think public schools should put more money to students and more important subjects than art. The moral is you cannot use art during life and it really does not need to be taught to anyone and if they do want to draw then they can teach themselves

### **Should art be taught in schools? | Debate.org**

The Art I believe in and teach is not learning how to better sell your audience on X, which propaganda and advertising has always aspired to. Yes it is 100% about creative thinking and making, but not in the service of a single measurable market-goal.

I think that the reason that art education is not seen as important is because one can not only survive without it, a lack of art education would probably have no discernable impact on a person's quality of life. That being said, I don't agree tha...

## **Why is art education not important? - Quora**

The elements and principles need to be taught as a tool that students use in their art just like they need to be taught about the tools of paintbrushes, drawing implements, clay tools, etc. How I Personally Teach the Elements and Principles of Art. I primarily teach art history and art appreciation, so I may be in a different situation than you.

## **Why I Hate The Elements and Principles of Art (But teach**

...

Music and art teach students about precision, the science behind something, but also the feeling that goes into creating it. Sure, a painting using colors that complement each other will look better than one that uses brown and grey, but at the same time a painting that uses complementary colors badly will receive less

# File Type PDF Why Art Cannot Be Taught A Handbook For Students James Elkins

merit than a beautifully crafted brown and grey painting.
